OPT STEM EXTENSION WORKSHOP

If you are a current F-1 international student who is eligible or will be eligible for an OPT STEM Extension, then this workshop is for you! This workshop will cover the new OPT STEM Extension ruling which will take effect on May 10, 2016 including new application materials, length of STEM extension, information on eligibility requirements, and regulatory changes.

Tuesday, April 19th
2:00 pm to 3:15 pm
Bausch & Lomb 109
River Campus
